The Department Consultative Committee (DCC) Meeting of the Department of Computer Science and Engineering was held on 06.12.2021 (Monday) in online mode @ 2.00 P.M. to discuss about the establishment of Centre for Excellence in Cyber Security and offering of a 2 credit value added course in Cyber Security.

The HoD outlined the objectives, Vision and Mission of the Centre for Excellence. Also the collaboration with CTS, SETS and ISEA project was discussed. The various research papers published by the Department in the area of Cyber Security, Projects done by UG/PG students and Ph.D work carried out were presented.

Based on the expertise available in the department, the members **recommended the establishment of the Centre for Excellence in Cyber Security.**

Regarding the offering of a 2 credit value added course on Cyber Security, the HoD presented the role of SETS in offering the course. The syllabus covering Cyber Security essentials, Cryptography & Public key Infrastructure (PKI), network security and advanced topics in Cyber Security for 30 hours was presented to the members.

The HoD told the members that each module will be evaluated using Moodle & SETS will provide the necessary software for installation in the lab. Also the HoD told the members that hands on exercises will be sufficiently covered as part of the syllabus.

The members recommended the offering of Cyber Security course as a 2 credit value added course based on the contents.

The HoD thanked the members and the meeting concluded.
