

DEPARTMENT OF INDUSTRIAL ENGINEERING

ANNA UNIVERSITY: CHENNAI-25

Minutes of the Departmental Consultative Committee Meeting held on 08th March 2018 at 10.00 a.m. in the Chamber of HoD, Department of Industrial Engineering.

The following Members were present :

- | | |
|---|----------|
| 1. Dr.R.Raju, Professor and Head
Dept. of Industrial Engineering, AU, Chennai | Convener |
| 2. Dr.L.Karunamoorthy, Chairman,
Faculty of Mechanical Engg. | Member |
| 3. Dr.P.Hariharan, Professor and Head
Dept. of Manufacturing Engineering | Member |
| 4. Dr.G.Arumaikkannu, Professor
Dept. of Manufacturing Engineering | Member |
| 5. Dr.T.Ramesh Babu, Professor
Dept. of Industrial Engineering, AU, Chennai | Member |
| 6. Dr.R.Dillibabu, Associate Professor
Dept. of Industrial Engineering, AU, Chennai | Member |
| 7. Dr.M.Rajmohan, Associate Professor
Dept. of Industrial Engineering, AU, Chennai | Member |
| 8. Mr.K.Padmanabhan Panchu, Assistant Professor
Dept. of Industrial Engineering, AU, Chennai | Member |

HoD welcomed all the members and had brought up two issues for discussion. The details of the discussion and the decision made are given below:

Agenda 1: To approve the Online Courses for the Department of Industrial Engineering.

The list of online courses to be offered by the department of Industrial Engineering is discussed and suggested the following programmes for approval by the appropriate authority. It is to be noted that all these programmes are 12 weeks or more of duration and equivalent to minimum of 3 credits of Anna University syllabus.

Sl.No.	Description of Online Courses	Source
1.	Six Sigma	NPTEL
2.	Python for Data Science	EDX
3.	Business Analytics For Management Decision	NPTEL
4.	Business Analysis and Data Mining Modeling using R	NPTEL
5.	Theory of Production Processes	NPTEL
6.	Introduction to Cognitive Psychology	NPTEL
7.	Introduction to Machine Learning	NPTEL

Agenda 2: To fix the eligibility requirements for the recruitment of faculty members at the Department of Industrial Engineering.

AICTE in its recent notification dated 28th April, 2017 have given Major / Core Branch / Technology and their relevant / appropriate courses leading to degree in Engineering / Technology for recruitment to teaching position. It is also mentioned that for inter disciplinary nature of courses, the relevant UG / PG programmes can be approved through the appropriate body of the university. The Industrial Engineering branch is one of the corresponding courses of Mechanical Engineering and inter disciplinary in nature. After a detailed discussion the committee have recommended the following UG/PG programmes for recruitment of faculty members at the department of Industrial Engineering.

UG Qualification:

Mechanical Engineering / Industrial Engineering / Production Engineering / Manufacturing Engineering / Mechanical and Automation Engineering / Mechanical and Production Engineering / Production and Industrial Engineering / Industrial Engineering and Management / Industrial and Production Engineering.

PG Qualification:

All the PG degree programmes in Engineering / Technology which are listed in AICTE notification dated 28th April 2017 under major disciplines of Mechanical Engineering.

Note: The person recruited to the department of Industrial Engineering at every level must have studied the Industrial Engineering either at UG or at PG level.
