PREAMBLE

- NBA: **Initially established by AICTE, in the year 1987**, for periodic evaluations of technical institutions & programmes
- NBA: **An autonomous body with effect from 7th January 2010**
- Purpose: **Assurance of Quality** and Relevance of Education, especially **of the programmes in professional and technical disciplines**

30-07-2022

Prof. R.G, Director-IQAC, Anna University

2

SIGNIFICANCE OF ACCREDITATION

- To **excel among stakeholders** (peers, students, employers, societies etc.).
- To **attain international recognition** of accredited degrees awarded.
- To facilitate **receiving of grants** from Government regulatory bodies and institutions/agencies.
- To **encourage** the institute to move continuously towards the **improvement of quality**, and the **pursuit of excellence**.
- To facilitate institutions for **updating curriculum, teaching and learning processes, faculty achievements, students' skills/abilities/knowledge**.
- To make the institute/department **aware of the weaknesses** of and **act on suggestions** for improvement

30-07-2022

Prof. R.G, Director-IQAC, Anna University

3

DIFFERENCE BETWEEN VISION & MISSION

- **Mission statements** are essentially **the means to achieve the vision** of the institution.
- If the **vision is to create high-quality engineering professionals**,
– then the **mission could be to offer a well-balanced programme of instruction, practical experience, and opportunities for overall personality development**.

30-07-2022

Prof. R.G, Director-IQAC, Anna University

4

DIFFERENCE BETWEEN PEOS & POS

- Programme Educational Objectives (**PEOs**) – **broad statements** that describe the career and professional accomplishments that **the programme is preparing graduates to achieve**.
- Programme Outcomes (**POs**) – Programme Outcomes are **narrower statements** that describe **what students are expected to know** and be able to do **upon the graduation** (skills, knowledge, and behaviour).

30-07-2022

Prof. R.G, Director-IQAC, Anna University

5

Cos & ASSESSMENT

- **Course Outcomes (COs)** -- Course Outcomes are **narrower statements** that describe **what students are expected to know, and be able to do at the end of each course** (skills, knowledge, and behaviour) through the course.
- **Assessment** – **One or more processes**, carried out by the institution, that **identify, collect, and prepare data to evaluate the achievement of PEOs & POs**.

30-07-2022

Prof. R.G, Director-IQAC, Anna University

6

EVALUATION & MAPPING

- **Evaluation** – Evaluation is one or more processes, done by the evaluation team, for **interpreting the data and evidence accumulated through assessment practices**. Evaluation determines the extent to which **PEOs or POs are being achieved** and results in **decisions and actions to improve the programme**.
- **Mapping** – Mapping is the process of representing, preferably in **matrix form, the correlation among the parameters**.

Prof. R.G, Director-IQAC, Anna University

10

DIFFERENCE BETWEEN TIER I & II

- The **TIER-I: Autonomous institutions and University Departments**, while the **TIER-II document is for non-autonomous institutions** affiliated to a university.
- In both TIER-I and TIER-II documents, **the same set of criteria** have been considered for accreditation.
- In the **TIER-I document**, the criteria which are based on **outcome parameters have been given more weightage**, whereas in the **TIER-II document**, the **weightage of the output-based criteria is more**
- However, a **non-autonomous institution may also apply for accreditation on the basis of TIER-I document**, if they feel that their curriculum is capable of attaining the desired outcomes of a programme.

Outcome Based Education (OBE)

Dr. S.BASKAR

Traditional Education

- Provides students with a learning environment with little attention to whether or not students ever learn the material.
- Students are given grades and rankings compared to each other – students become exam oriented or CGPA driven.
- Graduates are not completely prepared for the workforce.
- Lack of emphasis on soft skills needed in jobs e.g. communication skills, interpersonal skills, analytical skills, working attitude etc

09/04/22

Outcome Based Education (OBE)

Dr. S.BASKAR

Outcome Based Education (OBE)

- Starting with a **clear picture** of what is important for students to be **able to do**...
- Then organizing the **curriculum**, **delivery** and **assessment** to make sure learning happens...

09/04/22

Outcome Based Education (OBE)

Dr. S.BASKAR

Course, Degree, Programme

- Course
 - **Course** is a **unit of teaching**, which encompasses various topics, that typically lasts one semester, is led by one or more faculty and has a fixed registered students.
- Programme
 - Cohesive arrangement of **courses, co-curricular and extra-curricular activities** to accomplish predetermined objectives leading to the awarding of a degree.
- Degree
 - Academic award conferred upon a student on successful completion of a program designed to achieve the defined attributes

Outcome Based Education (OBE)

Dr. S.BASKAR

Keys of OBE System (William G. Spady)

- Developing a clear set of learning outcomes around which all of the system's components can be focused
- Establishing the conditions and opportunities within the system that enable and encourage all students to achieve those essential outcomes
- Having learners do important things with what they know is a major step beyond knowing itself

19/04/23

VISION AND MISSION OF THE INSTITUTION

Vision:

- Vision is a picture of the future you seek to create, described in the present tense, as if it were happening now. It shows where we want to go, and what we will be like when we get there.

Mission:

- Mission statement defines what an institution is, why the institution exists, its reason for being. It defines what are we here to do together

19/04/22

Outcome Based Education (OBE)

Dr. S.BASKAR

Department - VISION AND MISSION

- The vision and mission of the department should be correlated with the mission and vision of the institution.
- more focused on the theme area and based on the SWOT analysis.
- A mission statement might include a brief history and philosophy of the academic programme, the type of students to be served, the academic environment and primary focus of the curriculum, faculty roles, the contributions to and connections with the community, the role of research.

19/04/22

Outcome Based Education (OBE)

Dr. S.BASKAR

Programme Educational Objectives (PEOs)

- PEOs are broad statements that describe the **career and professional accomplishments** that the programme is preparing graduates to accomplish after **3 to 5 years** of graduation.
- PEOs should be **measurable, appropriate, realistic, and achievable**.
- PEOs addresses needs of the stakeholders

18/04/22

Outcome Based Education (OBE)

Dr. S.BASKAR

Guidelines for the PEOs

- PEOs should be **consistent** with the **mission** of the Institution
