## About VIT

Vellore Institute of Technology was founded in 1984 as Vellore Engineering College by Dr. G. Viswanathan, a former Parliamentarian and Minister in the Tamil Nadu government. The Deemed to be University status was conferred in June, 2001 by MHRD Govt. of India. Currently, VIT has eco-friendly campuses in Vellore, Chennai, Amaravathi and Bhopal. VIT attracts students from all the states and union territories of India and 60 different countries, owing to its academic excellence.

Vellore Institute of Technology (VIT) has emerged as one of the best institutes of India and is aspiring to become a global leader. Having fully committed to its Vision - "Transforming life through excellence in education and research", VIT focuses on Quality in teaching-learning, research and innovation, thereby making the institute distinct from others.

VIT is ranked 8<sup>th</sup> in University Category, 11<sup>th</sup> in Research Category, 11<sup>th</sup> in Engineering Category and 17<sup>th</sup> in Overall Category in 2023 NIRF Ranking published by the Ministry of Education, Govt. of India. National Assessment and Accreditation Council (NAAC) has accredited VIT with the highest grade A++ in 2021 (4<sup>th</sup> cycle).

Some of the significant achievements of the institution are:

- Ranked among the top 851-900 Universities of the world in QS World University Ranking 2024
- One of the top 3 Institutions of India and within the top 601-700 Universities of the world as per Shanghai ARWU Ranking 2022
- Ranked within top 175 in Asia (QS - Asia University Rankings 2023)
- Engineering and Technology subject area of VIT are the 240<sup>th</sup> best in the world and seven subjects of VIT are ranked by QS World University Ranking by Subject 2023

## About Anna University

Anna University was established on 4th September, 1978 as a unitary type of University. This University was named after Late Dr.C.N. Annadurai, former Chief Minister of Tamil Nadu. It offers higher education in Engineering, Technology, Architecture, and Applied Sciences relevant to the current and projected needs of society. Besides promoting research and disseminating knowledge gained therefrom, it fosters cooperation between the academic and industrial communities.

The University was formed by bringing together and integrating four well-known technical institutions in the city of Madras (now Chennai) namely,

- College of Engineering (CEG) (Established in 1794)
- Alagappa College of Technology (ACT) (Established in 1944)
- Madras Institute of Technology (MIT) (Established in 1949)
- School of Architecture & Planning (SAP) (Established in 1957)

Anna University is ranked 427<sup>th</sup> in the QS World University Ranking 2024. Also, ranked 13<sup>th</sup> in Engineering Category, 13<sup>th</sup> in Research Category, 14<sup>th</sup> in University Category, and 18<sup>th</sup> in Overall Category in 2023 NIRF Ranking published by the Ministry of Education, Govt. of India.

- Received the Clarivate India Research Citation Excellence Award (2021) for the highest citation among state Universities in India.
- Received the National Award for NSS (2022) from her Excellency the President of India
- District Green Champion Award (2022) from the Ministry of Education.

## About the Workshop

Accreditation is a quality assurance process that enables Higher Education Institutes to assess their strengths, weaknesses, and opportunities through an informed review process. It helps the educational institutions to attain academic excellence by meeting the guidelines & standards set by accreditation granting agencies. Accreditation also provides a new sense of direction and identity for institutions and enables them to set goals for self-improvement. The key objective of this workshop is to create an awareness about NAAC Accreditation process and its benefits to the higher education institutions.

## Topics to be covered

- NAAC Revised Accreditation Framework
- Student Satisfaction Survey and its significance
- Data Verification and Validation Process (DVV)
- Best Practices of A++ Institutions
- Effective Documentation
- Discussion on challenges faced by HEIs while preparing for accreditation

## **A Report on**

### **One day collaborative workshop Accreditation and Academic Excellence on 21<sup>st</sup> July 2023**

This one day collaborative workshop is organized by the IQAC teams of Vellore Institute of Technology (both Vellore and Chennai campuses) and Anna University, Chennai. The motive of the workshop is to create an awareness among the affiliated institutions about the revised NAAC framework. The brochure was circulated to all the Engineering and non-Engineering institutions as well.

The workshop was inaugurated on 21<sup>st</sup> July 2023 at 9.30 am at AB2, Smart Classroom located at VIT, Chennai. Dr. S. Hemamalini welcomed the august gathering with a welcome note. Dr. A. Suresh Babu, Deputy Director-IQAC, Anna University briefed about the workshop. Dr. R. Gunasekaran, Director – IQAC, Anna University gave the felicitation address. ProVC of VIT Chennai, Dr. V. S. Kanchana Bhaaskaran, joined Dr. Hemamalini in welcoming the gathering and presented a detailed presentation about the different campuses, VIT's journey of academic excellence, programmes offered, research centres, ranking and accreditation credentials of VIT. Distinguished Professor and Advisor to Chancellor, Dr. S. P. Thyagarajan, gave the inaugural address. He insisted on the significance of quality in every act of HEIs. The integration of quality policy as per NEP-2020 illustrated the holistic development of HEIs.

Dr. R. Gunasekaran, Director- IQAC, Anna University, Chennai, started the workshop session on “Best Practices of NAAC A<sup>++</sup> Institutions”. He reinstated the institutions’ accreditation and rankings by throwing light on various national and international ranking and accreditation agencies. The basic practices of the best institutions were listed like pure drinking water, clean toilets, food availability during working hours, etc. and said that practicing the same would indicate quality culture and best practices of the institutions. He also insisted that time lining all the activities, effective planning, and ecosystem to build confidence would portray a good culture on par with global institutions. He also suggested a few best practices to be followed for every NAAC criterion. Sustainable development goals are of prime importance for holistic development across the globe. The activities in HEIs are to be aligned with such SDGs for the growth of institutions.

After the tea break, Dr. P. Kuppan, Director-DQAA of VIT Vellore, explained in detail the procedures to apply for NAAC, starting from submission of Institutional Information for Quality Assessment (IIQA). During his presentation, he shared the experiences VIT had while applying for 4<sup>th</sup> cycle of NAAC accreditation. Followed by the procedures and processes, he explained the weightages for all the key indicators and respective metrics of criteria 1, 2 & 3, standard operating procedures (SOP), benchmarks and formula to calculate the benchmarks of all quantitative metrics. Also the nuances to be followed in qualitative metrics were also shared with the participants.

After the lunch break, Dr. K. Chitra, Deputy Director – DQAA of VIT Chennai continued the NAAC revised framework for criteria 4 & 5 and explained the quantitative and qualitative metrics. Dr. S. Renuga Devi, Deputy Director – DQAA of VIT Vellore illustrated the qualitative and quantitative metrics of Criterion 6 in NAAC revised framework. All the critical points to be considered while presenting the self-study report (SSR) were shared with the participants. Student satisfaction survey (SSS) is one of the important score points in NAAC, and hence the significance and procedures to score the maximum point was explained by her. The impact of Effective documentation in preparation of SSR was insisted by her. The list of documents to be uploaded like approval of UGC/MHRD/state government for establishment of HEI, AQARs, etc. was explained. The different types of various documents, including policy documents were listed and briefed. Important suggestions were provided towards the preparation of NAAC revised accreditation framework. The concept of the optional metrics was also explained by her which would greatly help them in scoring well in NAAC.

An interactive session chaired by Dr. S. P. Thyagarajan was organized with the participants. ProVC, Dr. V S Kanchana Bhaaskaran joined him during the session. The participants were curious to understand certain critical points in the preparation of SSR. The chair of the session gave useful suggestions for their questions. During the valedictory session, ProVC distributed the certificate to the enthusiastic participants. Dr. David Maxim Gururaj, Assistant Director – DQAA, VIT Chennai concluded the workshop with her Vote of Thanks.
